The Vision is that the Coordinators of the Ministry Areas will meet with the Committee Chairs at the beginning of each quarter to review the goals of the church as established by Renewal 20/20 and determined by the Committee and Ministry Areas. This will provide opportunities for committees to collaborate on places where their ministries intersect. Some Committees may cross over into other Ministry Areas. Collaboration is an excellent way to move forward and to involve and include more people in the ministries of the congregation.

The Committees will send reports to the Ministry Area Coordinators and the Chair of Church Council. Before each Council meeting, but are not required to attend.

THE CHURCH COUNCIL IS AN OPEN MEETING SO THAT ANYONE CAN ATTEND AND PARTICIPATE.
