

Updated Worship Plan and Schedule

Components:

- Continue filming pieces of a virtual service on Wednesday afternoon.
- Hold in-person worship only at 6:00 p.m. on Wednesdays through August (evaluate after July). Follow all planned protocols.
- Release the virtual service on Sunday mornings at 8:00 a.m.

Schedule:

- July 1 – Sanctuary open for prayer from 5:30-6:30 p.m.
- July 8, 15, 22, 29 (**Wednesday** services at 6:00 p.m.) & August 5, 12, 19, and 26 –(Time TBD)
 - **The Wed. 6:00 p.m. service will be re-evaluated at the end of July (Wednesday versus Sunday, time, content, etc.)**

Pros:

- Resolves conflict with Sunday School on Sunday mornings.
- Limits our in-person audience at a time when the COVID-19 numbers are increasing and expected to increase further around July 4th.
- Allows us to “retain” our virtual audience with more flexible worship service options than could be achieved with a strictly live-streamed service.
- Allows us to shift our in-person worship schedule at the same time we have a plan for on-site small groups (depending on the data).
- This is keeping with the fluidity of the plan as reported to Church Council on June 3, 2020.

Cons:

- Requires a change in plans to what was presented to Church Council.
- Limits in-person options to Wednesday as opposed to Sunday (for the time being).

Version: amended on 06/07/20- 5:00 p.m.
