

**I'M STEPPING FORWARD  
STEWARDSHIP 2022**

*You can also pledge through your REALM account.*

I am stepping forward in response to God's call on my heart to support the Church in all the ways I can, including through financial giving. I know that through my pledge I join my fellow church members in providing Washington Street United Methodist Church the loving and faithful stewardship needed to sustain it through this year and years to come.

My commitment to Washington Street UMC for the 2022 year is: \$ \_\_\_\_\_  
(per week) (per month) (per year) [circle one]

I plan to continue my Faith Journey with a commitment to:

Prayer  Bible Reading & Study  Witness  Service  Worship  Financial Giving

I make this commitment in good faith, knowing that should my financial situation change, I can increase or decrease this amount by contacting the Business Administrator of the Church.
