UNITED METHODIST CHURCH

February 8, 2026  
**WELCOME!**

We are grateful you are here to worship with us! We are an open community of Christians helping people find and give hope through Jesus Christ - regardless of gender, race, ethnicity, sexual orientation,

gender identity, nationality, disability or socioeconomic background. No matter who you are, where you are from, who you love, or what you look like, know that God loves you and **YOU BELONG HERE**. Please take a moment to help us get to know you by completing the blue tear-off section of this bulletin and placing it in the offering plate during the service.

---

Faith is the reality of what we hope for, the proof of what we don't see. The elders in the past were approved because they showed faith.

All these people died in faith without receiving the promises, but they saw the promises from a distance and welcomed them. They confessed that they were strangers and immigrants on earth. People who say this kind of thing make it clear that they are looking for a homeland. If they had been thinking about the country that they had left, they would have had the opportunity to return to it. But at this point in time, they are longing for a better country, that is, a heavenly one. Therefore, God isn't ashamed to be called their God—he has prepared a city for them.

## Making Disciples of Jesus for the Transformation of the World

*The congregation of Washington Street UMC praises and serves God from the heart of the city in ways that reach neighbors near and far. We welcome and affirm all who seek the love and mercy of Christ, regardless of race, creed, age, gender, national origin, sexual orientation, gender identity, or economic status. We honor traditions as rooted in our history, our expression of worship and our respect for theological curiosity. We nonetheless see vital change and ongoing renewal as essential for spiritual growth.*
